## Joseph H. Nash Secured the Nomination by Almost Three to One--Neuman Defeated. Sheehan's Lead Big.

The board of supervisors began on Thursday at noon to canvass the returns of the late election and will not conclude its work until today so that the official report will not be had until then. James Rolph carries the county by 1500 votes over Stephens but the former is defeated by the governor in the state for the republican nomination. Rolph secures the democratic nomination. The splendid run of Judge Thomas J. Lennon for associate justice of the supreme court is due to the support of the Times-Gazette. The judge ran far ahead of his closest competitor in this county. E. A. Hayes defeated M. B. Johnson in the county by nearly 500 votes. Mr. Hayes has secured the republican nomination in the district by a substantial majority.

Franklin Swart has defeated J. J. Bullock for the district attorneyship by a big plurality. This contest was the hardest fought of any of the campaign.

The big vote secured by Jos H. Nash for county clerk was one of the surprises of the campaign. He defeated his opponent by a vote of practically three to one.

D. M. Flynn is elected assessor by a big vote, nearly 2300 plurality. M. Sheehan came within 176 votes of defeating all his competitors at the election. Mr. Sheehan and Don Funge will be the contenders at the November election.

James V. Neuman was defeated for surveyor by 839 votes. Clark Rice and Will Barg will be the contenders at the November contest for the recordership. The latter leads Rice by 906 votes.

P. P. Chamberlain is elected treasurer by over 4000 votes.

Supervisors Brown and Thompson are returned to the board with substantial pluralities.

A. McSweeney, who was unopposed for tax collector, received the highest vote on the ballot. He received 7691.

W. A. Brooke for coroner and public administrator is elected by a plurality of over 2000 votes.

Ray Griffin and George Seely will be the contenders for justice of the peace in the third township at the fall election.

The following is the unofficial count of the vote cast at the Tuesday election:

## ENJOY LABOR DAY AT TANFORAN PARK

### Program Will be Stake Racing, Fancy Riding, Cow-Girl Races, Trick Riding and Steer Riding.

One of the biggest affairs programmed in this county in many a day will be held at Tanforan Park,

FATHER HANNIGAN

the old racing track, near San Bruno, on Labor Day, September 2nd. Horse racing, a round-up, steer riding, bronco busting and a number of similar sports will open the program which will begin at 2 p. m.

Years ago when Tanforan was famous the world over, the big hearted and broad minded men who controlled it made an idol of the late venerable Father Cooper known to and beloved by all in the Tanforan district. Every year of their own initiative they set aside one day of racing and sport events for the benefit of Father Cooper's church, St. Michael's, of Ocean View, the historic church of the old San Miguel Valley. The tradition of that annual benefit has preserved until now. This year a committee of one hundred men and women representative of Ocean View, Daly City, The Crocker Tract, South San Francisco and San Bruno are handling the program.

Besides the main events of horse-racing, round-up and so on, special features of the program will be an old time country fair, with its costumed vendors, push-carts, market stalls, greased pig adventure, tug-of-war between the adjacent and rival towns bordering the two counties, Ocean View vs. Daly City and Irish step dancing with the lilting of the tune by an old Irish fiddler.

Among the racing and rodeo events will be stake races, heats, fancy riding, cow-girl's races, trick riding and steer riding, roping and foot-roping.

Particularly exciting will be the work of "Billy" Russell and "Babe" Condrine, premier family of horsemen of the state.

The program of special events will begin at 2 p. m. and without doubt will rival the best seen at Tanforan Park even in the days of its glory, the days when Tom Williams and his associates made it famous the world over.

### DIED AT HULING HOSPITAL

Mrs. Mary Grace O'Sullivan, a native of California, aged 55 years, passed away at the Huling hospital early yesterday morning after a short illness. She was taken to the hospital Thursday morning and lingered until yesterday morning. Mrs. O'Sullivan was a daughter of the late Antone Martinez, who at one time owned all the land in and around Woodside and Portola having received it as a Spanish grant. The deceased was born and raised at Portola.

Mrs. O'Sullivan is survived by four sons and a daughter. Three of the boys are in the U. S. service. The deceased was proud of the three stars in the service flag on the window of her home.

No arrangements are yet made for the funeral. The family is awaiting word from one of the sons at Camp Meade, Baltimore. The body is at the parlors of the Redwood City Undertaking company.

### WOODSIDE NOTES

Tomorrow morning at the regular Mass in the Portola Catholic church the service flag of the church containing the names of the boys in the army and navy service of the country will be blessed. A special program of music has been arranged. Some of the best singers of the Family Club will take part as will also a number of the greatest artists of the coast. The blessing of the flag will be a big event in the annals of the church and a big congregation is expected. All are invited to be present and witness the beautiful ceremony.

D. Stekes O'Callaghan, manager of the Standard Guaranty Mortgage Corporation of this city, will leave this evening for St. Paul on a business trip. He will be gone for six weeks or more. Mr. O'Callaghan is one of the best known business men in the state.

An inquest will be held on the remains of Miss Lucile E. Warren, the young lady who was shot at Camp Fremont last Tuesday, at 11 o'clock this morning at the parlors of the James Crowe company.

### ADVERTISING ELECTED THOMAS J. LENNON

The splendid vote received by Judge Thomas J. Lennon in the county for associate justice of the supreme court demonstrates the value of newspaper support. The Times-Gazette, in support of the judge, brought excellent results. His vote in the state was enormous. He and Judge Wilbur have been elected.

### CONGRESSMAN E. A. HAYES THE REPUBLICAN CHOICE

E. A. Hayes has been re-nominated on the republican ticket for congress Mr. Hayes will have as a contender, Mr. Hershman of Gilroy, the democratic nominee. There is no question but that Mr. Hayes will be returned to congress with a larger vote than before.

### CAMPAIGN JUST CLOSED WAS HARD FOUGHT

The campaign that just closed was an extremely bitter one, accusations being made on all sides. However, the battle is now over, all should forget the acrimony of the campaign and be friends. Many things may be said in the heat of a campaign that would not have been uttered otherwise. Let all the candidates and their friends shake hands, the victor and vanquished alike, and all work for the common cause of winning the war. This is the most important issue which should engross our attention. Let's work in harmony from now on for the betterment of Redwood City and San Mateo county and all put their shoulder to the wheel in helping every war activity.

### AN ELECTION SURPRISE

The only real surprise of the recent election was the defeat of James V. Neuman for county surveyor. It was generally supposed before election that he would be re-elected with a big vote. Mr. Neuman felt certain of his election and failed to make a campaign. The people are certainly ungrateful for Mr. Neuman stood by them in constructing the great highway system of the county, seeing that the taxpayer got his money's worth from the contractor. It is alleged that contractors who did much of the work were instrumental in bringing about the defeat of Mr. Neuman, the trusted and true friend of the people. It is said Republics were always ungrateful.

### BAD NEWS FOR BERLIN

The war news from the eastern front these days is bad news for the German people. Quotations from German newspapers portray the gloom that overhangs the people in the large cities. That the people in the small towns and country are equally depressed is not to be doubted

The Liberty Loan bond buyers of the preceding loans have their share in the success of the entente allies. They furnished the sinews of war not only to fight the U-boats and to build ships, not only to raise, equip and send our soldiers over, not only to supply them and our allies with food and munitions, but more than $6,000,000,000 of their money has been loaned to our allies so that they may prosecute the war with vigor and strength.

We here at home have an opportunity to send the Germans some more bad news. The Germans have great respect for money; they know too, that the support the American people give a government loan measures largely the support they give their Government, the moral as well as the financial support they give their armies in the field.

A tremendous subscription to the Fourth Liberty Loan will be as distressing to the German people as a defeat for them on the battle field, and it will mean as much. It spells their defeat; it breaks their morale: it means power to their enemies. A subscription to the loan is a contribution to German defeat and American victory.

### SOME OF THE BITS YOUR LIBERTY BONDS WILL DO

If you buy a $100 bond of the Fourth Liberty Loan you are lending the United States Government enough money to feed a soldier in France a little more than seven months. Or you have furnished enough money to give him a complete outfit of winter and summer clothing, including shoes and stockings, and slicker and overcoat and blankets, with enough left over to arm him with a good revolver You have done that much to beat back the Hun.

It takes $35 more to arm him with a rifle with a bayonet on it, and if you buy a second $100 bond you furnish him this rifle and 1000 cartridges for it; and there will still be enough of you money left to purchase a good-sized bomb to throw in a dugout, or demolish a machine gun together with the Huns operating it.

### WOULD SAY GOOD-BYE

I wish to thank my former patrons for their patronage and by this means bid them good-bye. I have enlisted in the army and left Thursday for the training camp. J. Blachman.

### SUPERVISORS HOLD THEIR REGULAR WEEKLY MEETING

The board of supervisors met in regular session Monday, August 19, at 10 a. m., there being present Dr. C. V. Thompson, presiding; T. L. Hickey, W. H. Brown, Jno. MacBain and Jos. M. Francis.

Weeden Bros. were granted a permit, on motion of MacBain, seconded by Hickey, to erect a building on Santa Cruz avenue in Menlo Park, for J. B. Jones.

A communication was received from J. C. Robb, chairman of the Three-Cities Mosquito Abatement district, in which he estimated the amount of money necessary to carry on the work in the district for the coming fiscal year at $8,000. The communication was filed and ordered referred to County Auditor J. J. Shields.

A communication was received from E. M. Long, a resident of Menlo Park, again calling attention to the promiscuous shooting of fire-arms in his neighborhood and enclosing clippings from papers, telling of similar practices in other communities with the damage resulting thereto.

The clerk of the board was directed to furnish the writer with a copy of the present ordinance which regulates the use of fire-arms within the county.

A communication was received from the Pacific Gas and Electric Co., relative to the recent appeal of the Power Administration of the State, for the conservation of electricity wherever possible on account of the shortage of power. The communication stated that the bills for the months of August and September would only be submitted by the company for the actual number of lamps lighted in each city, town or lighting district and the amount of electricity shall be pro-rated on the number of hours in actual use compared with the number of hours contracted for.

The State Board of Education submitted a communication to the board, calling attention to the increased cost in all school commodities and urging the curtailment of all unnecessary expenditures wherever possible. The Board of Education in its communication recommended that all the schools in the State be dismissed for vacation during the same periods each year, so that the boys and girls could assist with the work in the fields and shops during the war period. The communication was ordered filed.

The following persons were granted dance permits, on motion of MacBain, seconded by Hickey, all the members of the board voting "yes" on roll-call, with the exception of Supervisor Brown, who voted "no."

Henry A. DeVere, Woodruff Inn, La Honda; J. May Barrow, 16-Mile House, Millbrae, and A. Bonzagni, La Honda.

The San Mateo County Woman's committee of the National and State Councils of Defense, through its chairman, Mrs. Jno. L. McGinn, submitted a report of its activities in connection with the Baby drive that was carried on in the county recently. The report showed 1641 babies had been examined in the different cities and towns throughout the county. The report was accepted and ordered filed.

This being the time for hearing the petition filed at the previous meeting of the board for the discontinuance of the joint Fairview school district on the border line of this and Santa Cruz counties, Superintendent of Schools Roy W. Cloud, who had presented the petition, appeared before the supervisors and stated that there were no objections to the petition and he urged that a resolution be adopted, declaring the above school district lapsed and the territory thereof attached and made a part of the Alpine school district.

On motion of Brown, seconded by Hickey, the additional sum of $75 was appropriated for the use of Douglas S. Watson, to assist in carrying on the food administration work in San Mateo county.

The County Social Service Commission submitted its report for July relative to the granting and withdrawal of outdoor relief. The report was accepted and ordered filed, on motion of MacBain, seconded by Brown.

A communication was received from the Public Health Service of the above commission, asking the board to take over the work of the service under the direction of the Social Service Commission. A request for an appropriation of $5000 for this work during the coming fiscal year was asked.

The above communication, together with one from the Social Service Commission, asking that the care of dependent children be turned over to the latter organization and the sum of $5000 be also appropriated for this work, was laid over for action until Thursday afternoon, August 29, when the board meets in special session to canvass the returns of the primary election.

In accordance with the requirements of the law, Superintendent of Schools Roy W. Cloud the applications of the several school districts in the county showing the amount of money they desire to raise through special taxation to carry on their work during the next fiscal year. The petitions were ordered filed, on motion of Brown, seconded by Francis.

A claim of the South San Francisco Publishing company amounting to $2,753.30, and being for printing the delinquent tax list of the county, was presented, and on motion of MacBain, seconded by Hickey, was laid over until the next meeting.

### DOUBLE WEDDING AT M.-E. CHURCH THIS WEEK

An interesting double wedding took place in the M. E. church on Tuesday evening last when Mrs. Evelyn Shaffer was united in marriage to Corporal McCricket and Miss Shaffer, the pretty daughter of the bride, became the life partner of Corporal Earl de Pain. Both men belong to Company B, Second Infantry, Camp Fremont. The two brides have been residents of Redwood City for some time. They came here from San Luis Obispo where Miss Shaffer was a prominent leader of society. Since the marriage both young men have gone to Fort Dodge from which place they expect soon to depart for the front. After the war they will rejoin their wives here.

### APPEAL MADE TO AID THE ARMENIANS AND SYRIANS

As the Apostle Paul heard a cry from Macedonia to come over and help them, so, today, America has a call from Armenia and Syria to come over and do a humanitarian and patriotic service. Under date of May 9 the American minister to Persia sent the following telegram:

"There is a great epidemic of typhoid. Famine conditions are unexpectedly growing worse. Dogs, dead animals, grass, and even human beings are being eaten."

By the constitution the State Department is prevented from granting a call for $2,000,000 but referred the request to the American Committee and asked them to encourage American citizens to give as generously as possible, both as a patriotic and philanthropic service. America stands as a friend of oppressed subject races which include the Armenians, Greeks and Syrians. Dollars spent for bread at this time will do more toward holding these peoples true to the cause of the allies and thus help win the war in Western Asia than an equal amount of money spent for military equipment, besides saving hundreds of thousands of war stricken peoples whose loyalty to the principles of the allies is as great as America's.

All remittances to points within the Ottoman Empire and to the Russian Caucasus, Persia, Mesopotamia and Southern Palestine are sent through the Department of State and under the license of the Bureau of Enemy Trade of the War Trade Board. Credits only are sent abroad. No money or food. Food that might go to enemy peoples or enemy armies is being purchased by the relief workers to keep alive hundreds of thousands of peoples, subject races of pro-ally sympathy, thus rendering a humanitarian and patriotic service. All money goes for relief. None for expenses. The auditor's report shows that in receiving and administering $10,245,320.63, the committee has not only adhered to its pledge to send 100 cents of every dollar for relief, but has actually sent for relief $27,526.41 more than it has received in contributions, the difference being accounted for by interest on daily balances. No money is paid for salaries either in America or in Asia The administrative expenses of the American Committee are cared for privately by one man and the work of administration in Asia is conducted by American Consuls, educators, physicians, missionaries and other responsible American citizens, without salary or expense to the relief funds.

### SUMMARY

At least 1,000,000 Armenians and Syrians have perished during the past two years of massacre, deportation, exposure disease and starvation.

Three million are now homeless and in dire distress, 400,00 of those in need are orphans.

Little children scarcely able to feed themselves live absolutely alone in deserted homes.

$30,000,000 will be required. Give your share.

# MENLO PARK NEWS OF ALL SORTS

## Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Miss Marion Winston and Miss Christine Donohoe left recently for the south, where they will visit at Miss Winston's home in Los Angeles For the past two weeks Miss Winston and her sister, Miss Louise Winston, have been house guests at the Donohoe home in Menlo Park.

The people of Menlo Park by their votes on Tuesday last showed their appreciation for Mayor Rolph by giving him an almost unanimous vote for governor. Democrats and Republicans alike voted for him. Mr. Rolph has done much for this section. He was instrumental in bringing the big cantonment here and keeping it. No man residing in this locality should have voted against him. The splendid recognition he received was due him from the people.

David Roche will move into the Casey home on Mills avenue on early next week from Redwood City. Miss Frances Casey and Miss May Casey will take apartments in San Francisco and reside there permanently. The young ladies were born and raised in Menlo Park where they are highly esteemed and liked. They carry with them to the metropolis the best wishes of the people of Menlo Park. Miss May Casey has been a commuter for a number of years. W. T. Casey will fit up bachelor quarters in the old Casey home on Oak Grove avenue.

Martin McCarthy and John Heltzel have opened the Menlo Grocery in the Larrecou building on El Camino Real. They keep a full line of choice, fresh groceries, a full line of fruit and vegetables, bread, pies and cakes. Both young men are energetic and ambitious and hope to build up a thriving business. Attention is called to their advertisement in another column of this paper.

Frank Derry was an eye witness to the tragedy that occurred at Camp Fremont on Tuesday when a man and woman was killed and two others almost fatally shot by a rejected lover.

The big vote accorded Judge Thomas J. Jennon for associated justice of the supreme court demonstrates what publicity will do. The Times-Gazette supported the judge and the publicity he received thereby got results.

Lieutenant Joseph A. Donohoe, Jr., and Mrs. Donohoe have arrived at the Donohoe home here, where they will remain until the young man recovers his health. Lieutenant and Mrs. Donohoe were at San Diego for several months while his regiment was at Camp Kearny. Owing to illness, Lieutenant Donohoe could not go to France with his unit, but will go later.

In honor of Mrs. Ruth Haley, who leaves shortly for overseas service in a Red Cross canteen, Miss Pearl Delger will give a party at her Menlo Park home this Saturday evening. Many of the guests will remain over at "Oak Del," the Delger residence, for the week-end.

Edward Derry, who graduated from Heald's Business College in San Francisco last week with honors, has secured a clerical position with Crowley Tug and Shipbuilding Company of San Francisco. Young Derry is a bright lad and is certain to make his mark in the commercial world.

W. L. Grewall has gone to Los Angeles for a week's visit. Mrs. Jack London who had been visiting Mrs. Grewall, her cousin, has departed for her pretty home in "The Valley of the Moon" near St. Helena.

The Red Cross dance in the open air pavilion in the grounds of the Moose Club this evening will be largely attended. A military band from Camp Fremont will furnish the music Come and enjoy yourself.

Little Frank Ellings, the two-year-old son of Mr. and Mrs. Percy Ellings met with a sad accident last Wednesday. He fell on a barbed wire fence, the sharp point of the wire sank into his eye for a depth of an inch. Fortunately the sight of the optic will be saved as the wire penetrated only a short distance from the retina. The little fellow had two doctors, specialists, attending him. There will be no permanent injury as a result of the accident.

All is in readiness for the bazaar for the benefit of the Church of the Nativity in the grounds of the Moose Club, beginning Thursday of next week and to continue for three evenings. The ladies in charge have received numerous articles of value that will be disposed of at reasonable figures. Those desiring blankets, pillows, comforters and other articles for the winter had better come and get some of the bargains that will be offered. A light dinner will be served each evening. The ladies are working like beavers to make the affair a great succes and from present indications the bazaar will be a social and financial success. Never was there a fair started in Menlo Park with such encouragement as the ladies are receiving this year. Soldiers and civilians will vie with each other in buying the many nice things offered for sale by pretty young maids and coy girls. Their appeals cannot be denied. All will buy. Come early, attend each evening and don't miss this rare opportunity for fun and mirth and a chance to secure bargains in everything from a needle to an anchor.

FOR SALE—Two lots on Oak Grove avenue. Apply to D. E. O'Keefe at residence on avenue.

## SAN CARLOS ITEMS

Miss Irene Brook of San Francisco visited the week-end with her friend, Miss Genevieve O'Brien.

Mrs. Hurlbut and her daughter, Miss Ruby, who have been visiting at the home of Mrs. Jno. V. Clark have returned to their home in Piedmont.

Mrs. W. T. McDonough and Mrs. F. J. Pearce and San Francisco were here for the week-end at the home of their sister, Mrs. Jas. O'Brien.

Mr. Chas. Wilcox, who during his young manhood was a resident in Redwood City, but who for many years has been driving one of the Southern Pacific trains out of El Paso, is here with Mrs. Wilcox visiting the Hull home. Mr. Wilcox is a brother of the late Dr. Wilcox who was a former partner of P. P. Chamberlain in the general merchandise business and whom Mr. Chamberlain succeeded as county treasurer at the time of the Doctor's retirement over thirty-five years ago.

Mrs. Laura B. Crawford has returned to her home in Berkeley after a fortnight's visit with the Hull and Shields families. Mrs. Crawford has made annual visits to the Hull home for many years, coming down to San Carlos by stage coach in the early days, long before the railroad was built. Her first husband, a Dr. Blake, was one of San Francisco's popular dentists in the pioneer days.

Mr. Milo Mortenson of San Francisco was home for the week-end with his friend, Fred O'Brien.

Mike Sheehan was the first man to drop into town Wednesday, after the election, and spread the glad tidings and to thank the people of San Carlos for their splendid vote of confidence; and he can be assured that if a second campaign is necessary in November that his present vote will be augmented by several.

J. D. Smith, who was badly injured in an automobile accident on the high way some weeks ago, is quite low at the Huling hospital. Blood poisoning is expected to develop at any moment. If it should Mr. Smith could not survive very long.
